Email ID:library@skit.ac.in

Future Planning

Following upgradation will be done in this session in Skit Digital Library

- e-Books from various publishers will be purchased according to university syllabus and competitive exams which can be accessed remotely
- Users will be able to access resources such as e-books, e-journals, databases, newspapers, library catalogues, and institutional repositories, Gyandan lecture series etc. subscribed by SKIT Library or developed in the institute through a single discovery portal.
- The mobile app of this discovery portal will also be available for the users.
- The library will organize a virtual book exhibition within the next two months in which all standard publishers will participate through which library users will be able to recommend printed and e-books and in this duration many learning sessions will also be conducted
- In the last week of July, the SKIT NDLI club will organize an awareness session in which the users will be made aware about the resources of the National Digital Library. The users attending this session will also get certificate from the National Digital Library.

Note: User can get user id and password of all multiple resources from google form given on digital library
